

COUNCIL 4 PEOPLE GUBERNATORIAL CANDIDATE FORUM

Saturday, June 23, 2018

11:00 a.m.

Council 4 AFSCME (Downstairs Conference Room)
444 East Main St., New Britain, CT 06051

Join us for a special forum featuring candidates for Governor of Connecticut.

We have invited party-endorsed candidates — including Ned Lamont (D) and Mark Boughton (R) — as well as primary challengers.

The candidate forum will take place from 11 a.m. to 12 noon. After that, we will break for discussion, followed by a cookout.

Council 4 and our PEOPLE political action committee are sponsoring this event, which is open to any Council 4 AFSCME member.

Please attend our June 23 forum. Learn where the candidates for governor stand on the issues that matter to us, like our pay, benefits, and bargaining rights, and how they plan to move Connecticut's economy forward in a way that respects workers.
