**Senate President
Martin Looney**

To stop the significant budget cuts coming to CT State in 2024 and 2025, Gov. Lamont and the legislature must pass emergency funding in the spring.

Senate President Martin Looney has the power to champion this vote on the Senate floor to stop workforce reductions, tuition hikes, and cuts to services for students. This is our opportunity to make the case for why we need this funding and ask for his leadership on this issue. We need all hands on deck at this event to demonstrate our commitment and our power.
